Property Description

Where Bountiful Living Begins!

Live in the heart of town without giving up space, amenities or beauty. Every day at Orchard Gardens can be as unique as the community itself. Start your day with a relaxing stroll among the stately trees that dot the 12 landscaped acres. Admire the time-honored architecture as you head over to your spacious garden-style apartment. The lustrous hardwood floors welcome you home, while the view from your living room window reminds you that you're never far from a richly wooded setting. Prepare snacks and meals in your spacious, modernized kitchen. The upgraded appliances will save time and trouble for everyone in your family. The separate dining area gives you a special place to fully enjoy each meal without distracting from the look and style of your living room. Save money each month for the things you really want, because you rent includes heat and hot water!
